APPEAL / REPRESENTATION AGAINST ILLEGAL RENEWAL AND SUBSEQUENT UNLAWFUL CHANGE OF CLASS OF M/S BAKHTAWAR AMIN MEDICAL AND DENTAL COLLEGE

Appellant:

Mr. Nadeem Ahmad Sheikh,
M/s Ibrahim International Pvt. Ltd.
Membership No. C-468

VERSUS

1. Secretary General, Multan Chamber of Commerce & Industry (MCCI) — Respondent No.1
2. Election Commission, MCCI — Respondent No.2
3. Saud Rasheed of M/s Bakhtawar Amin Medical and Dental College — Respondent No.3

GROUND OF APPEAL

1. That M/s Bakhtawar Amin Medical and Dental College was renewed/retained by the Secretary General in the Corporate Class, despite failure to fulfil the mandatory requirements of Rule 11(5)(b) of the Trade Organizations Rules, 2013.
2. That the Appellant specifically objected to the firm's eligibility. Upon the objection, the Secretary General himself accepted the objection and removed/reclassified the firm from the Corporate Class. This action itself establishes that the earlier Corporate Class classification was not sustainable.
3. However, the Secretary General, while correcting the alleged wrongful Corporate Class classification, changed the class of the firm after issuance/commencement of the election schedule, thereby violating Article 16 of the Memorandum & Articles of Association of MCCI, which restricts a change in the class of membership after commencement of the election process except in accordance with the prescribed procedure.
4. Thus, the Secretary General has created a legal contradiction: if the firm was lawfully eligible for Corporate Class, there was no basis for removing it from Corporate Class; and if it was not eligible, it could not lawfully have been renewed/placed in Corporate Class in the first place.
5. The subsequent change of class cannot retrospectively cure the original violation of Rule 11(5)(b), nor can Article 16 be used selectively to justify an alteration made after the election schedule. The Election Commission's own decision dated 07.08.2026 recognizes that Article 16 concerns alteration of the class of membership after commencement of the election process.

6. The issue is therefore not merely an administrative or clerical correction. **The unlawful Corporate Class renewal first affected the electoral college, and the subsequent change of class after issuance of the election schedule further affected the composition of the voters' list.** Such actions have the potential to materially influence the **MCCI Elections 2026–2028.**
7. The conduct of Respondent No.1 therefore requires examination under the **Trade Organizations Act, 2013 and Trade Organizations Rules, 2013**, particularly regarding compliance with **Rule 11(5)(b)** and the lawful preparation and maintenance of the electoral roll.

PRAYER

It is respectfully prayed that the Honourable DGTO may kindly:

1. Call for the complete renewal and classification record of **M/s Bakhtawar Amin Medical and Dental College.**
2. Determine whether the firm fulfilled **Rule 11(5)(b)** before its renewal in Corporate Class;
3. Examine and hold that the subsequent change/removal of the firm from Corporate Class **after issuance of the election schedule** was contrary to **Article 16 of the Memorandum & Articles of Association;**
4. Declare the firm's Corporate Class inclusion and subsequent change of class, if found unlawful, **ineffective for the Elections 2026–2028;**
5. Direct correction/removal of the firm's name from the relevant voters' list in accordance with law; and
6. Initiate appropriate proceedings/action against the **Secretary General, MCCI for violation/non-compliance with the Trade Organizations Act/Rules, 2013 and applicable Memorandum & Articles of Association,** if the violations are established.

Subject: APPEAL AGAINST EXCLUSION OF M/S BIOFORCE CHEMICALS FROM THE VOTERS' LIST FOR MCCI ELECTIONS 2026–2028.

Respondents:

1. Secretary General, The Multan Chamber of Commerce & Industry (MCCI)
2. Election Commission, MCCI

Respected Sir,

The Appellant respectfully submits this Appeal/Representation against the order of the Secretary General dated **31.07.2026** and the subsequent decision of the Election Commission dated **07.08.2026**, whereby M/s Bioforce Chemicals has been excluded from the voters' list for the MCCI Elections 2026–2028.

Grounds of Appeal

1. The basic finding that the Appellant acquired membership only through a fresh application in July 2024 is contrary to MCCI's own official record. M/s Bioforce Chemicals was already an MCCI member in 2023–2024, under Membership No. A-1749. The membership certificate was issued on **21.11.2023** and was valid up to **31.03.2024**.
2. The Appellant's was subsequently member in 2024–2025. Most importantly, the official MCCI Membership Certificate expressly records membership in the Associate Class for **2024–2025**, Membership No. A-1749, and was issued on **25.04.2024** (The Original Certificate can be produced on hearing).
3. The same membership was thereafter renewed for **2025–2026** and **2026–2027**, again under the **same Membership No. A-1749**. The certificates are official documents issued by MCCI itself and bear the signatures/seal of the Chamber.
4. Therefore, the official record demonstrates that the Appellant had a membership relationship with MCCI dating back to **2023**, followed by subsequent renewals. The Secretary General and Election Commission have failed to properly reconcile these official membership certificates with their conclusion that the Appellant's membership commenced only from a fresh enrollment in July 2024.
5. The impugned decision therefore suffers from a **material factual error**, because the Chamber's own certificates establish an earlier membership. The later renewal/admission process cannot, without examining and lawfully cancelling or disregarding the earlier official membership record, simply erase the Appellant's membership history.
6. The Election Commission's decision dated **07.08.2026** itself acknowledges that the Appellant was previously enrolled as a member; however, it concluded that the earlier membership had ceased. **The crucial question is therefore whether the alleged cessation was lawfully established and whether the subsequent official certificates issued by MCCI were validly issued and recognized.** This aspect requires determination by the competent regulatory authority.

7. The Appellant respectfully submits that it should not be deprived of its statutory voting right merely on the basis of an internal interpretation of the membership record when the Chamber's own official certificates repeatedly recognize the Appellant as a member under the same Membership No. **A-1749**.
8. The Appellant has now placed before the competent authority the complete chain of its MCCI membership certificates, which constitutes material evidence requiring reconsideration of the impugned decision.

Prayer

In view of the above facts and the official membership certificates issued by MCCI, it is respectfully prayed that the DGTO may kindly:

1. **Set aside/review** the order dated **31.07.2026** of the Secretary General and the Election Commission decision dated **07.08.2026**;
2. Direct MCCI to properly examine the Appellant's complete membership record from **2023 onward**;
3. Hold that the Appellant's earlier membership and subsequent renewals cannot be ignored without lawful determination of its alleged cessation;
4. **Direct inclusion of M/s Bioforce Chemicals in the final voters' list for MCCI Elections 2026–2028**, subject to fulfillment of all other statutory requirements; and
5. Grant any other relief deemed just and proper in the circumstances.

APPEAL / REPRESENTATION AGAINST UNLAWFUL INCLUSION OF FIRM M/S ACRO SPINNING & WEAVING MILLS LTD. IN MCCI VOTERS' LIST 2026-2028

Appellant:

Nadeem Ahmad Sheikh
M/s Ibrahim International (Pvt.) Ltd.
Membership No. C-468

Respondents:

1. **Secretary General, Multan Chamber of Commerce & Industry (MCCI)**
2. **Election Commission, MCCI**
3. **Hamza Akbar M/s Acro Spinning & Weaving Mills Ltd.**

Subject: Appeal against inclusion of a firm having no established substantial business interest in Multan

Respectfully submitted:

1. That the impugned firm **M/s Acro Spinning & Weaving Mills Ltd.** has been included/retained in the MCCI Voters' List despite the fact that **no corresponding record establishing any substantial business interest, manufacturing unit, branch, additional place of business or other lawful business establishment in the Multan territorial jurisdiction is available in the FBR/CRO record.**
2. That this issue is particularly material because the **Secretary General himself has previously rejected another membership application on exactly the same principle.** In his letter dated **17 July 2026 (Copy Enclosed),** the Secretary General rejected the application of **M/s Fatima AG Solutions Limited,** expressly relying upon the FBR NTN record showing its registered address in Lahore and the SECP Certificate of Incorporation showing incorporation in Lahore, and concluded that the company did not fall within MCCI's territorial jurisdiction under Rule 11 of the Trade Organizations Rules, 2013.
3. The same legal principle cannot be selectively applied. **The Secretary General cannot deny membership to one firm for absence of territorial nexus while permitting another firm to remain on the voters' list without documentary evidence establishing the required substantial business interest in Multan.** Such inconsistent treatment raises a serious question regarding the legality and impartiality of the voters' list.
4. The Election Commission's decision dated **07 August 2026** relies upon an alleged manufacturing unit of the respondent in Multan and holds that such unit constitutes "substantial business interest" under Rule 3(2)(b). However, the decision must be tested against the **actual FBR and SECP/CRO record,** rather than merely an assertion or chamber record.

5. If the impugned firm has **no corresponding FBR/CRO record or other legally verifiable documentary evidence** showing a manufacturing unit, branch, additional place of business or substantial business interest in Multan, its inclusion in the voters' list is contrary to the statutory requirement and deserves reconsideration.
6. The selective acceptance of the impugned firm, while applying the opposite standard to other applicants, creates a reasonable apprehension that the MCCI office and electoral process are being used to **manipulate the composition of the voters' list and thereby influence the election.**

PRAYER

It is therefore respectfully prayed that the DGTO may:

1. **Call for and examine the complete FBR, SECP/CRO and MCCI record** of the impugned firm;
2. Determine whether the firm actually possesses a **legally verifiable substantial business interest in Multan** as required by law;
3. Examine the apparent **inconsistency between the Secretary General's rejection of Fatima AG Solutions Limited and the treatment of the impugned firm;**
4. Set aside the decision/inclusion of the impugned firm if the required territorial nexus is not established; and
5. Pass any other appropriate order necessary to ensure a **lawful, transparent and impartial MCCI election.**

BEFORE THE DIRECTOR GENERAL, TRADE ORGANIZATIONS (DGTO), ISLAMABAD

APPEAL UNDER RULE 18(7) OF THE TRADE ORGANIZATIONS RULES, 2013

Appellant:

Mirza Ijaz Ahmed

Saeed Sons Rang Waly

Membership No. A-3

Versus

1. **Secretary General, Multan Chamber of Commerce & Industry (MCCI) — Respondent No.1**
2. **Election Commission, MCCI — Respondent No.2**
3. **Mr. Shahid Raza M/s Al-Falah Health Care — Respondent No.3**

SUBJECT: APPEAL AGAINST THE DECISION OF THE ELECTION COMMISSION AND ILLEGAL RETENTION OF M/s AL-FALAH HEALTH CARE IN THE FINAL VOTERS' LIST 2026–2028

Respectfully submitted that the Appellant challenges the decision of the Election Commission, MCCI dated **07.08.2026**, whereby M/s Al-Falah Health Care was retained in the voters' list. The objection is based on a specific and verifiable issue which requires examination of the original FBR/IRIS record.

GROUND

1. **M/s Al-Falah Health Care had not filed its Income Tax Return for Tax Year 2025 up to the last date of renewal, i.e. 20.04.2026.** Therefore, the statutory requirement under Rule 11(5)(b) was not fulfilled at the relevant time.
2. In support of his decision, the **Secretary General, MCCI** submitted an **Active Taxpayer Status/ATL document** allegedly relating to the Respondent firm. However, although the name appears similar/matched, the NTN mentioned in the document does not match the NTN of M/s Al-Falah Health Care appearing in the MCCI Voters' List. The document therefore cannot establish that the relevant firm had filed its Tax Year 2025 return.
3. The Election Commission's decision itself records that the Appellant was unable to produce conclusive FBR evidence establishing non-filing. The present objection now specifically identifies a material NTN mismatch and seeks verification from the original IRIS record, rather than relying merely upon an ATL status printout.

Saeed Sons Rang Walay

Importer & Exporter

4. It is therefore respectfully requested that **Respondent No.3** be directed to produce the **original IRIS login/return record, including the date of filing/submission of the Income Tax Return for Tax Year 2025**, so that the filing date and taxpayer identity may be independently verified by the DGTO directly from FBR/IRIS.
5. If the IRIS record establishes that the return was **not filed by 20.04.2026**, Respondent No.3 was not eligible for renewal/inclusion in the voters' list on the relevant date.
6. The submission of a document bearing a **different NTN against the firm's name** to justify renewal raises a serious question regarding the correctness and integrity of the Chamber's membership/electoral record. The matter therefore warrants an inquiry into **tampering/misrepresentation of the Chamber record by Respondent No.1**.

PRAYER

It is therefore respectfully prayed that the Honourable DGTO may kindly:

1. **Allow this appeal under Rule 18(7);**
2. Call for and independently verify the **IRIS record of Respondent No.3 for Tax Year 2025**, including the actual date of filing;
3. Direct Respondent No.3 to produce the relevant IRIS return/filing record and establish that the return was filed **on or before 20.04.2026**;
4. Upon verification of non-compliance, **remove M/s Al-Falah Health Care from the Final Voters' List for Elections 2026–2028**;
5. Conduct an appropriate inquiry into the **NTN mismatch and alleged tampering/misrepresentation of the MCCI membership record by the Secretary General, MCCI**, and take action in accordance with law; and
6. Grant any other relief deemed just and proper in the circumstances.
